Company Summary

Prime Contractor Supply Corporation (“Prime”) continues the 25-year history of its predecessor, Sewickley Construction Products, Inc., by continuing to be a premier supplier of underground stormwater drainage, wastewater, water, and aggregate products throughout the Northeast and Midwest. Prime prides itself on being a top-tier value-added distributor (VAD) of specialty construction supplies and materials to our customers, as well as a dependable, customer-focused MBE/DBE (certifications pending) supply partner to help our customers reach their revenue and participation goals. Prime embraces and invests in premium estimating technologies, lean distribution practices, inventory management systems, and on-site fabrication services to provide our customers with an efficient and reliable MBE supply partner to keep their operations on budget and on time.
